**REISSUE DECLARATION AND POWER OF ATTORNEY**

Paul A. Crawford, as below named inventor, hereby declares as follows:

1. My residence, mailing address and citizenship are stated below next to my name.
2. I believe that I am the original, first and sole inventor of the subject matter that is described and claimed in patent number 5,791,693, granted August 11, 1998, and for which a reissue patent is sought on the invention entitled "PUP JOINT WITH INTEGRAL WING NUT RETENTION SHOULDER," the specification of which is attached hereto.
3. I have reviewed and understand the contents of the above identified specification, including the claims.
4. I acknowledge the duty to disclose information which is material to patentability as defined in 37 C.F.R. 1.56.
5. I verily believe the original patent to be wholly or partly inoperative or invalid by reason of my claiming more than I had the right to claim in the patent. The error relied upon is the failure to specify either (a) the relationship of the outside diameter of the section of the "male

sub" in claim 1 to the outside diameter of the "length of pipe," or (b) the relationship of the inside diameter of the "one or more retainer segments" of claim 1 to the outside diameter of the "length of pipe." The failure to specify at least one of these relationships in the original patent causes claim 1 to at least partly cover (i.e., read on) the device depicted in reference C1 listed in the concurrently-filed form 1449 and discussed in the concurrently-filed Information Disclosure Statement, thereby rendering the original patent wholly or partly inoperative or invalid.

6. All errors which are being corrected in the present reissue application up to the time of filing of the declaration arose without any deceptive intention on my part.

7. I hereby appoint:
